Page 2 of this document is a score page for an ending to the 1st movement of the

Bruch
Violin Concerto No. 1 in g minor

This will be needed if someone (in my case, a student competition winner) chooses to play only the first movement of the concerto.

A second document exists for extracting the parts, in FINALE format.

If you have FINALE software, [CLICK HERE](#)
You can download a one-page file (the file is a compressed .sit file and must be expanded) then extract the parts in FINALE 2002b.

(Otherwise, you'll have to copy the parts.)
